By accessing or using any Frostbyt3 Gaming services, you agree to be bound by these Terms.

1. Eligibility

You must be at least **13 years of age** to use Frostbyt3 Gaming services. If you are under the age of 18, you must have permission from a parent or legal guardian.

By using our services, you represent that you meet these requirements.

2. Services Provided

Frostbyt3 Gaming provides online digital services including but not limited to:

- Multiplayer game server hosting
- Community gaming services
- Account and server management platforms
- Digital content and server perks
- Other online gaming-related services

Services are provided **"as-is" and "as-available."**

We do not guarantee uninterrupted or error-free service.

3. Service Modifications

Frostbyt3 Gaming LLC reserves the right to modify, suspend, or discontinue any part of its services at any time. This includes changes to server configurations, features, pricing, availability, or service offerings.

We may perform updates, maintenance, or operational changes without prior notice when necessary to maintain system stability, security, or service quality.

Frostbyt3 Gaming LLC shall not be liable to users for any modification, suspension, or discontinuation of services.

4. Account Responsibility

You are responsible for maintaining the confidentiality of your account credentials.

You agree that you are responsible for:

- all activity occurring under your account
- safeguarding your login credentials
- immediately notifying us of unauthorized account use

Frostbyt3 Gaming LLC is not responsible for losses resulting from compromised accounts.

5. Acceptable Use

Users may not engage in activities that:

- exploit bugs, glitches, or unintended mechanics
- attempt to hack, disrupt, or interfere with servers
- perform denial-of-service attacks
- distribute malicious software
- harass, threaten, or abuse other users
- violate applicable laws
- bypass server rules or moderation systems

Violation of these rules may result in:

- warnings
- temporary suspensions

- permanent bans
- termination of services

Decisions made by Frostbyt3 Gaming staff regarding enforcement are final.

6. Server Rules and Community Conduct

Each Frostbyt3 Gaming server may have its own rules and moderation policies.

Users must comply with both:

- these Terms of Service
- individual server rules

Failure to follow server rules may result in moderation actions including removal from servers.

7. Payments and Digital Purchases

Payments made to Frostbyt3 Gaming may be used to purchase services directly or to add funds to a user's Frostbyt3 Gaming account balance ("Wallet Balance").

Wallet Balance represents prepaid account credit that may be used toward eligible Frostbyt3 Gaming services. Adding funds to Wallet Balance does not itself constitute the purchase of a specific game server, subscription, or other service.

Wallet Balance:

- Has no cash value outside Frostbyt3 Gaming
- May only be used for eligible Frostbyt3 Gaming purchases
- May not be transferred between users unless expressly authorized by Frostbyt3 Gaming
- May not be withdrawn or redeemed for cash except where required by applicable law
- Remains subject to these Terms and any applicable payment or refund policies

Applicable sales or other transaction taxes are calculated when Wallet Balance is used to purchase a taxable service, rather than when funds are added to Wallet Balance, except where applicable law requires otherwise.

When purchasing or renewing a taxable service using Wallet Balance, the user's available balance must be sufficient to cover the full purchase price, including applicable taxes. Frostbyt3

Gaming may decline a purchase or renewal when the available Wallet Balance is insufficient to cover the complete transaction.

Digital purchases may include:

- Game server hosting and renewals
- Subscriptions
- Server access
- Digital perks
- Priority access
- Cosmetic or gameplay-related benefits
- Other digital services offered by Frostbyt3 Gaming

Prices displayed for services may not include applicable taxes unless expressly stated otherwise. Any required tax will be calculated and displayed as part of the transaction before the purchase is completed.

Unless otherwise required by law:

- Purchases are final and non-refundable
- Unused Wallet Balance is non-refundable and non-redeemable for cash
- Access to services or Wallet Balance obtained through reversed, disputed, fraudulent, or otherwise invalid payments may be revoked

Payment processors may place a temporary authorization hold on your payment method while they verify it. This is not an additional Frostbyt3 Gaming charge and should disappear automatically.

8. Payment Processing

Payments made through Frostbyt3 Gaming services may be processed through third-party payment providers, including Stripe and PayPal.

For PayPal transactions, account credit or service activation will only occur after the payment has been fully processed and confirmed as completed by PayPal.

Payments that are pending, under review, or otherwise incomplete will not result in account credit until the transaction is finalized.

Third-party payment providers may charge Frostbyt3 Gaming processing or transaction fees. Such fees do not reduce the amount credited to a user's Wallet Balance unless a separate customer-paid fee is clearly disclosed before payment.

Frostbyt3 Gaming LLC reserves the right to delay or deny service activation if a payment has not been successfully completed.

9. Chargebacks and Payment Disputes

Users agree **not to initiate payment disputes or chargebacks** without first contacting Frostbyt3 Gaming support.

If a chargeback or payment dispute is filed:
